Simin Mohtadi

Web and Graphic Designer

Profile

Creative and detail-oriented Graphic Designer with over 10 years of experience in delivering innovative designs and developing, implementing, and managing marketing campaigns. Recently gained frontend development skills in HTML, CSS, and JavaScript. Known for good communication, teamwork, and problem-solving abilities. Passionate about contributing to projects that lead to effective digital solutions.

Work experience

Freelancer Graphic Designer 2013-2021

Worked with over 200 companies on various graphic design projects. Developed concepts and brand identity designs for more than 30 companies. Taught graphic design and social media strategy to over 15 students.

Stablished a Creative Content Agency 2021-2023

Assembled a team of experts in creative content creation, graphic design, and web development to form an interactive and collaborative team. Managed and participated in various projects including videography, advertising campaigns, digital marketing, and more.
