### WE CAFE

WE CAFE crafts premium coffee blends for night owls like students and night-shift workers. They wanted a logo symbolizing wisdom, vigilance, and nighttime productivity.

## → LOGO + SOCIAL MEDIA

Lucy Club is a chic nightclub designed specifically for girls who love to dance, socialize, and have a great time. So we agreed upon a playful logo which evokes devil and mystical sense.

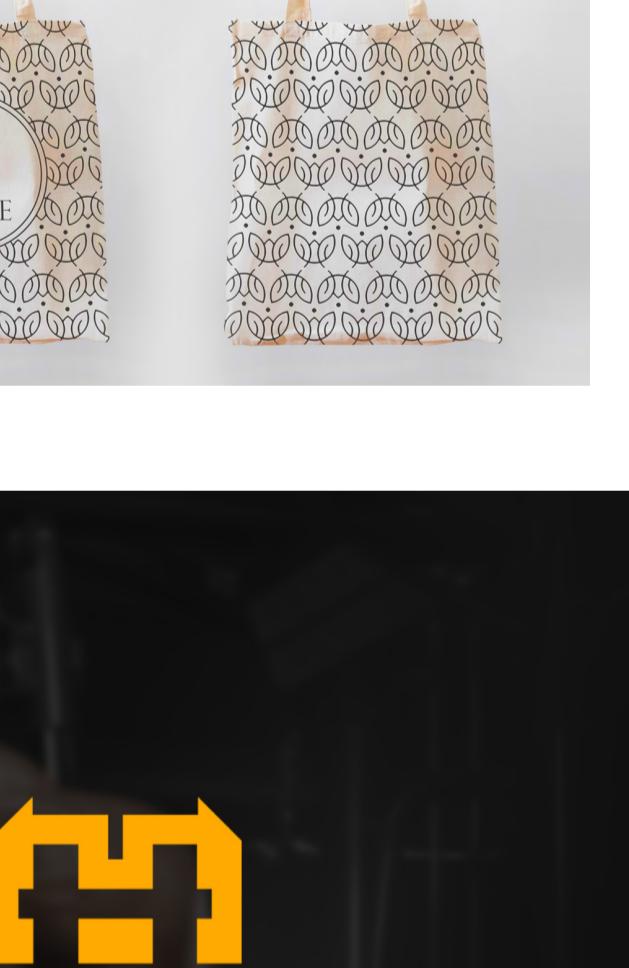

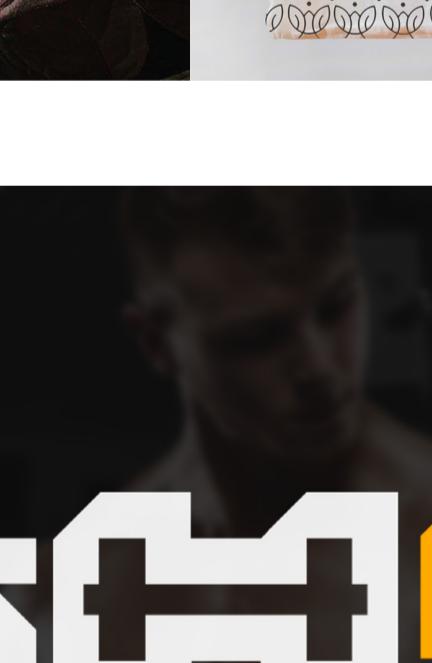

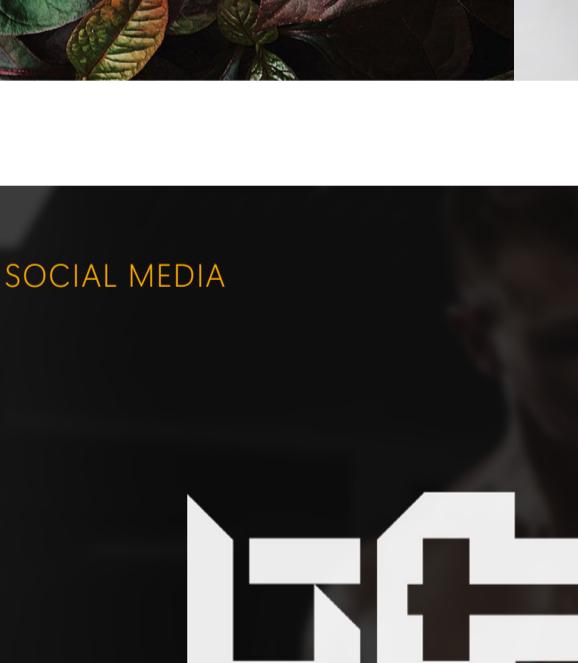

### Torjeh

Torjeh is a luxury skincare brand using natural ingredients. We created a modern logotype and a peacock logo, with a matching pattern.
